OUR HEROES—RUNNING THE OC MARATHON TO CURE HD!

OC Marathon Runners

The Orange County Marathon is this weekend and HDSA Orange County is a chosen charity! The sweet smiling face of our HERO, Sebastian Hernandez will greet and inspire runners this Sunday, May 2nd, but he's not the only hero in the OC.

We want to recognize our other HDSA Orange County HEROES...those people who are Running to Cure HD!!!

Genavie Blumenthal, Richard Davidson, Sandra Davidson, Larissa Flores, Ty Fritz, Andres Gallegos, Kristi Haske, Ruth Hernandez, Carla Nieto, Bobbi Orel, Tammy Schuff, Dr. Joan S. Stefan, Ann Tillery, Toby Weiner, and Juliana Wissa.

Families living with HD know that fighting HD takes endurance, tenacity, hope, strength, and a strong support network. Those qualities are no different than the qualities our runners will demonstrate at this Sunday's big race.

Thank you to our runners and a special thank you to everyone who registered as a volunteer for this event. We could not do it without your helping hands.

Join "Team Cure HD" on May 2 in the 5k, half-marathon or marathon, click [here](#) to register.
